

# Call for Papers

21-22<sup>th</sup>, June, 2021 | Hangzhou, China

## MMSE 2021

7<sup>th</sup> International Conference on Advanced Machinery,  
Material Science and Engineering Application

### Principal Topics

Submissions of a multidisciplinary nature or in new and emerging areas are also welcome.

Principal topics include: (not limit to)

- Applied Mechanics
- Mechatronics Systems
- Advanced Manufacturing Technology
- Automation and Control Engineering

### Organizers

- China University of Geosciences (Wuhan)
- National University of Singapore, Singapore

### Committee

#### ► Speakers

*Prof. Seeram Ramakrishna*, National University of Singapore (NUS).

*Prof. Pasouale Arpaia*, University of Naples Federico II, Italy

#### ► Co-Chairs

*Prof. Emin Bayraktar*, Supmeca/Paris School of Mechanical and Manufacturing Engineering, France

*Prof. Qiang Xu*, University of Huddersfield, UK

#### ► Editors

*Prof. Volodymyr Skliarov*, National Scientific Centre "Institute of Metrology", UKRAINE

*Prof. Ahm Shamsuzzoha*, University of Vaasa, Finland

*Prof. Yiwei Dong*, Xiamen University, China

### Submission

Authors are invited to submit original, unpublished papers in English on their research relevant to the conference topics and theme. Please submit your manuscript to [mmse2021@163.com](mailto:mmse2021@163.com).

**Submission deadline:** 31, December, 2020

### Important Dates

Submission Deadline: December 31, 2020 (First round)

Acceptance Notification: Within 2 weeks after submission received

Conference Date: June 21-22 2021

### Conference Website

For more details about MMSE 2021, please go to [www.mmseconf.com](http://www.mmseconf.com)

### Conference Proceeding Publication

Accepted papers will be published in IOP Publishing *Journal of Physics: Conference Series*, Online ISSN: 1742-6596; Print ISSN: 1742-6588.

Indexed in: Ei Compendex, Scopus and other databases.

### MDPI Special Issues

Selected papers can be recommended to MMSE2021 SI Journal, published by MDPI Publishing, in the Journal

"Applied Sciences" IF=2.474, indexed by SCIE.
